## VSP Public Comment

**From:** Melanie Moorehead [melaniewrites@yahoo.com]

**Sent:** Wednesday, June 22, 2005 1:41 PM

**To:** McDannold, Bruce

**Subject:** Use HAVA Money to Fund

Please release Help America Vote Act funds to the University of California to research and develop open source software for use in voting machines.

We do not want proprietary software counting our votes. This is an essential step towards open and honest elections.

Thank you.

Melanie Moorehead, Santa Monica, CA 310.409.9420
